

Dear Friends of the Performing Arts;

My name is Shari Foose. I'm the facilitator of The Star Parent Network. We started the network five years ago with 8 parents waiting for our children at Broadway Dance Center in NY. Now we have over 1500 members 23 of which are dance studios as well as many other educational venues. Our members are from 16 different states.

We share audition notices and information, put together workshops, have a shoe exchange, support one another and go after opportunities for education and performing for all ages and abilities. WE ARE NOT ABOUT COMPETITION!!!! We are all ages, ethnic groups, and abilities but everyone shares an interest in the performing arts and having fun. We have children and adults who perform on Broadway, Touring Companies, Movies, Commercials, Musical Groups, School Plays and many other venues too numerous to mention. The network is free however everyone who belongs is asked to contribute in some way and be positive and supportive of all our members.

I put together a wonderful day of seminars geared for parents of children in show business ages 17 and younger. Teachers in the performing arts will benefit from this educational seminar as well. It will take place on Sunday, July 26th from 8:30am-5:00pm. It is called Young Performers and Parents Meet the Pro's. The event will be held at the Holiday Inn, 440 W. 57th in New York City. I attached information about the seminar which includes a listing of door prizes we already received. The day of seminars will cover a wide range of topics from work permits, how to find a great teacher, audition techniques and many other topics that are very important for the young actor to know. The capacity for this event is 400 people.

I am looking for door prizes that will be presented by a drawing throughout the day. The chance to win a door prize is included in the fee for the event. For providing a door prize to this wonderful event your business will receive the following exposure:

- You will be listed on the website with a description of your door prize and your business, plus a link to your website if you have one.
- Your Company name and door prize will be listed on a board at the seminar on which the winners will also be written.
- Your Company name and door prize will be listed in all e-mails I send out to advertise the event.
- You can supply me with business cards or flyers to promote your business that I will include in a folder that each adult attending the seminar will receive! It would be great to offer our members a discount, so you know how much business we bring to you!

Please consider providing a door prize for this wonderful event.

Sincerely,

Shari Foose
